

ALL SAINTS'C.E. PRIMARY SCHOOL, ALREWAS.

Admissions Policy

'Believe to Achieve'

Mission Statement

'To provide quality education for our children in a happy, secure Christian environment, encouraging pupils to achieve their potential academically, spiritually and socially.'

It is intended that the number of pupils to be admitted to this school at the normal age of entry in the current academic year will not exceed 34.

If the number of pupils seeking admission to the school exceeds the number of places available, then the following order of priority will be used:

- a) Pupils living within the catchment area of the school.

- b) Pupils who would, in the first year to which the application relates, have an elder brother or sister in attendance at the school.

- c) Pupils who satisfy both of the following tests:
 - 1) they are distinguished from the great majority of other applicants either on medical grounds which are supported by a medical report, obtained by parents, specifying the medical advantage of the child attending the preferred school compared with the normal catchment area school or by other exceptional circumstances material to the choice of the school (i.e. the circumstances of the child, not the economic or social circumstances of the parent); and
 - 2) they would suffer hardship if they were unable to attend the school.

d) Other pupils arranged in order of priority according to how near their home addresses are from the school, measurements being by the nearest walking route.

Pupils are admitted to the school full-time in September at the commencement of the academic year in which they attain their fifth birthday. (See policies for Kittens and Kitten tots for children under 5)

If you wish to apply for a place at the school the following link provides all the necessary information, in addition your first point of contact can be the school office.
